

Organization Structure

For the year 2021 - 2022

Board of Trustees

Our Board of Trustees is made up of several professionals in fields such as political science, nonprofit management, healthcare, and human rights. Working from Spain, our board works to guide the organization and handles administrative concerns.

Health Education

The Health Education project is managed and delivered by local Education Officer Hanadi. She conducts all workshops and organizes classes. The program is supported by volunteers and overseen by the Project Coordinator.

Children's Program

The children's program is led by KidsZone teacher, Lama. She is supported by the volunteer team and overseen by the Education Officer.

Executive Management

Two volunteer coordinators, the Project Coordinator and the Team Coordinator, work full time in Lebanon to organize the team, guide daily work, and fulfill the mission laid out by the Board of Trustees.

Distributions

The 'My Health First' Free Shop and all additional distributions are managed by local our Distribution Officer Merhi. Merhi is supported by our volunteer team and overseen by the Project Coordinator.

International Volunteer Program

The volunteer program is coordinated by the Team Coordinator in collaboration with our partner, Indigo Volunteers.

Fundraising and Communications

Fundraising and communications is undertaken by members of our volunteer team and is overseen by the Team Coordinator.
